

SHARING ECONOMY

Transparent Insurance for the shared economy

A data driven, usage based insurance product for the sharing economy. With millions of rides, deliveries and rentals taking place every hour, there is more demand than ever before for pay-as-you-go style insurance policies for the sharing economy. Our sharing economy product uses AI to collect data in real time, providing an accurate risk analysis and instant premiums on a usage based basis for each and every transaction.

Why choose Shepherd Compello?

Unlike most traditional insurances, our sharing economy facility leverage's the power of AI and data to provide real-time risks based on historical data and market statistics, rental sessions, including vehicle/ rider telematics as well as weather and location information - meaning insurance for the sharing economy doesn't have to be as expensive or as complicated as it once was.

The core values at the heart of our business are:

CLIENT FOCUSED

We are dedicated to understanding, anticipating and addressing our clients' needs with meticulous attention to the detail of everything we do on behalf of our clients.

INDEPENDENCE

Our transparent, family-owned structure means we are free from outside control. We combine a collaborative working environment with the ability to provide impartial and expert advice.

INNOVATIVE

Compello means to drive forward, defining our commitment to continuous improvement. We challenge established thinking and strive to provide new solutions to meet our clients' needs balanced with experienced professionals.

INTEGRITY

We are guided by strong moral principles and ethical conduct. We are honest, true to our word and treat everyone equally and with respect.

OVERVIEW

Shepherd Compello is an independent, family-owned Lloyd's Broker and Coverholder based in London. Established for nearly 20 years, the company's specialist areas include:

Transportation

Our team has a wealth of experience in providing coverage for both mainstream and niche risks across North America.

Property

We offer comprehensive and competitive coverage to lenders, investors and high value homeowners across the United States and Caribbean.

Contingency

We deliver bespoke insurance solutions for a wide range of sports, media and entertainment businesses around the world.

Extended Warranty

We provide products for vehicles, scooters, trucks, agricultural machinery, brown goods, white goods and pretty much everything else in between.

Intellectual Property

We offer IP insurance which acts as an essential instrument to provide all the financial wherewithal in the event of a copyright or trademark dispute.

Cyber

We work with both SME and global corporates in order to analyse their cyber exposures and deliver bespoke solutions tailored to their specific circumstances and requirements.

Financial Lines

We specialise in providing products for financial losses experienced by companies including cover for Directors & Officers and Professional Indemnity.

CLAIMS

Insurance is a promise. A promise that when the worst happens someone will be there for you. At Shepherd Compello we understand the importance of fulfilling our obligations and, if the worst happens, the prompt payment of claims agreed.

We will handle your claim all the way through the process, from first advice, right through to final settlement, making sure there are no surprises along the way and your claim is settled on time.
